Did You Know?

Studying important people throughout history highlights models of good citizenship and courage, helps identify appropriate social interactions, and improves decision-making and judgment.

We hope you had a wonderful holiday season and a very happy New Year. Thank you so much for your generosity last month. Our teachers, administrative team, and I truly appreciate all the thoughtfulness and care we received. We also thank you for your participation in our holiday giving initiative. Because of your contributions, we were able to donate more than 100 winter accessories and packaged food items to Loudoun Homeless Services Center, a local shelter open to residents of Loudoun County that offers tailored programs to help with short-term needs, as well as lower the risk of future homelessness.

In addition to the supply drive, we collected 65 brand-new toys for Toys for Tots. Through these initiatives, students learned the importance of giving back to the community, especially during the holiday season.

Are you ready to take that next step? Do you need ideas or support to make your child's potty training a success? Save the date for our Virtual Potty Training Workshop on January 29.

Learn tips and techniques to ensure a successful, positive experience. Registration link will be sent soon.

We explore diversity and inclusion all year and have many lessons planned this month to celebrate Martin Luther King, Jr. We'll be reading books, making arts and crafts, discussing the importance of acceptance and belonging, and much more.

Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? Invite them to our Open House on January 20. When you refer a friend and they enroll, you're eligible for a free week of tuition. Ask us for details!
