A Love for Learning is in the Air!

Can you believe we're already one whole month into 2024? At school, I guess the saying is true: Time flies when you're having fun! We love the month of February because it's a time to celebrate love. As always, there is so much to LOVE about our preschool community. We will be celebrating Valentine's Day on Tuesday, February 14th with a Valentine's Day Dance! Children are also invited to bring in valentines to share with their classmates. Be on the look out for classroom sign-up sheets for this special day. Also, February is Black History Month. It is a time to honor the culture, accomplishments, and important contributions of African Americans. We are excited to announce our first Black History Month Art Show on February 20th, more details to follow! We'll also be celebrating in the classroom by reading books, making arts and crafts, and continuing our discussion on acceptance and belonging.
