Today A Reader, Tomorrow A Leader

There's something about the month of March that is fresh and rejuvenating. With flowers in bloom and warm weather on the horizon, what's not to love about this time of year? Spring hasn't sprung just yet, but it's just around the corner and we can't wait to get some more time outside in the sunshine! To kick off a season full of fun this month, we are excited to celebrate Read Across America Week in honor of the great Dr. Seuss' birthday. Everyone is encouraged to dress up in Seuss-themed attire each day, while our classes will enjoy a variety of activities aimed to focus on the heart and soul of our curriculum: Language and Literacy. Keep an eye on Links 2 Home for photos and details about all of the exciting things happening in our classrooms! As always, please reach out with any questions, comments, suggestions, or concerns. Thank you always for your ongoing support of our school!
