February was a great month at our school! Our students celebrated diversity, friendship, and love. Valentine's Day was enjoyed with a class book exchange and special treats. In anticipation of spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons.

March is National Reading Month! Our teachers have exciting activities planned that include reading and reenacting favorite books, introducing students to new titles, and much more. Keep an eye out for additional details through Links 2 Home.

Learn strategies to help your child cope and manage their feelings at our next parenting workshop, "Helping Children Manage Anxiety" with Sarita Patel. We will identify and discuss common anxiety triggers such as school situations, social dynamics or lack thereof, sleep, and separation issues. Sign up at: <https://conta.cc/3UnQnhn>

Our enrolled family survey will be launching the week of March 11. This survey provides the opportunity for you to share your positive experiences within our school community and give feedback on our areas of opportunity confidentially.

PICTURE DAY IS COMING!!! April 1 & 2. More info will be coming soon!!
