Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? Invite them to our Open House on March 16th. When you refer a friend and they enroll, you're eligible for a free week of tuition. Ask us for details!

February was a great month at our school! Our students celebrated diversity, friendship, and love. Valentine's Day was enjoyed with class parties and special treats. In anticipation of spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons.

March is National Reading Month! Our teachers have exciting activities planned that include spirit week, reading and reenacting favorite books, introducing students to new titles, and much more. Keep an eye out for additional details through Links 2 Home.

Did you Know? When children retell stories, they grow vocabulary, learn to sequentially describe events, and build the skills needed for fluent reading comprehension.

Our enrolled family survey will be launching the week of March 11. This survey provides the opportunity for you to share your positive experiences within our school community and give feedback on our areas of opportunity confidentially.

LCPS is closed for spring break, but our school-age program is open! We have an entire week of challenging, fun, and engaging activities planned for our school-age students. Don't forget registration for our Unforgettable Summer Camp is now open. There is nothing that compares to watching your child's confidence grow and seeing them have fun and make friends. By enrolling, you're giving them a summer they'll never forget. Please contact us to learn more.

Learn strategies to help your child cope and manage their feelings at our next parenting workshop, "Helping Children Manage Anxiety" with Sarita Patel. We will identify and discuss common anxiety triggers such as school situations, social dynamics or lack thereof, sleep, and separation issues. Sign up at: <https://conta.cc/3UnQnhn>
