Dear Families,

Happy April! This month, we are looking forward to discovering all the changes spring brings forth. This season provides a great opportunity for children to learn and grow as they discover new things in their environment. Our teachers are planning lots of fun outdoor adventures, lessons, picnics, and more! We are also excited to celebrate Week of the Young Child and Earth Day.

Our enrolled family survey launched in March. If you have not received the email, please let us know so we can request it be resent. The survey provides the opportunity for you to share your positive experiences within our school community and give feedback on our areas of opportunity confidentially. Survey closes April 5th.

Our next Open House is on April 27th, so don't forget about our referral bonus! When you refer a friend and they enroll, you're eligible for a **free week of tuition**. Ask us for details!

Week of the Young Child, April 6-12, recognizes young students, their teachers, and their families for all their hard work. This annual event, sponsored by The National Association for the Education of Young Children (NAEYC), allows us to showcase the importance of early childhood education, our Links to Learning curriculum, and everyone who makes it possible. We have many fun activities planned for Music Monday, Tasty Tuesday, Work Together Wednesday, Artsy Thursday, and Family Friday. More information will be sent via Links 2 Home.

Earth Day is Monday, April 22nd! Our classes will be creating fun activities centering around the importance of protecting our planet. We can't wait to share photos with you.

Learning about how to protect the environment provides students with the essential building blocks needed to live an eco-friendly, sustainable lifestyle in the future.

Picture day is here! Monday, April 1st, Infant-Beginner; Tuesday, April 2nd, Intermediate-PreK 2, with cap and gown for PreK 2.
