April was a special month with celebrations for Week of the Young Child and Earth Day, creating lasting memories! We enjoyed embracing the joy of childhood and teaching our students how they can help the environment. Looking ahead to May, we're excited to honor our wonderful teachers during Teacher Appreciation Week. Plus, we will continue learning about nature and how to be eco-friendly as we get ready for summer fun!

Teacher Appreciation Week is May 6-10. This is the perfect time to express our gratitude to our amazing teachers who work tirelessly to educate and care for our students each and every day. They are the heart and soul of our preschool, and we are so fortunate to have such a dedicated and talented team. More information regarding Teacher Appreciation Week celebrations will be sent via Links 2 Home.

Thank you for your participation in our Parent Survey. We value your feedback as we continuously strive to improve our programs and enhance your child's educational experience. We will be sharing the ways we'll be using your feedback in the next few weeks.
