# A Place to Grow:

## *Where learning continues beyond the school day*

Our Before & After School Programs offer students enriching opportunities for discovery and exploration before and after the normal school day hours. These programs provide numerous options for fun while also reinforcing the essential lessons and values taught throughout the school day.

### Extended Day

Our Extended Day program allows busy working families the flexibility to drop-off before the school day starts and pick-up after the normal dismissal time. Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills, and to reinforce the skills they're learning during the school day, while providing plenty of time for fun with friends.

#### **Program Details:**

- Hours: 7:00 am – 6:00 pm
- Nutritious snacks
- Dedicated and specially trained staff members with experience in working with older children.
- Indoor and outdoor facilities

### Clubs & Enrichment

Our Clubs and Enrichment Programs are great ways for your child to expand on their interests or pursue new passions. These can be added in conjunction with our Extended Day Program or independently. This program offers families an opportunity to enroll their student in one or more days of after school activities without leaving the convenience of our campus.

#### **Program Details:**

- Hours: Varies by Club & Enrichment
- Dedicated and specially trained staff members in specialty area.
- Indoor and outdoor facilities
- Variety of programming

# Extended Day

# Extended Day

*Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills and to reinforce the skills they're learning during the school day.*

Students explore the exciting world of science, technology, engineering, art and math (STEAM) via building projects, experiments, and design challenges. Sharing ideas, asking questions, and making predictions are encouraged!

Robust outdoor free play and structured games help students learn sportsmanship and develop their physical strength and endurance. Students learn critical thinking and problem solving by participating in board games and team challenges with their peers.

Students express themselves by participating in hands-on visual arts, including photography, videography, drawing, and painting. Students develop planning skills by working on long-term projects with their peers and can participate in group performances or discussions.

Social and emotional growth is nurtured via student and teacher led activities that promote a feeling of community and belonging. Students learn via open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.

Some students appreciate the chance for independent activities or study after a long day at school. We provide a quiet place to work on homework, read, journal, or seek academic support from peers and teachers. Students can also work on various projects in this small group setting.

**Clubs & Enrichments**

## Happy Aprons Club

Do you have a picky eater at home? 🥗 Get ready to mix, measure, taste, and create because eating can be fun and nutritiously delicious! In Kids Cooking Club, Miss Pillay leads a high energy, hands on experience where students build kitchen safety skills, healthy eating habits, and confidence while exploring math, reading, and science via cooking. From teamwork to tasty triumphs, kids will feel proud of what they create and excited to share it at home, turning “I don’t like that” into “Can I make it again?”

**Grades:** Pre-K-5th  
**Weeks Offered & Time:** Mondays, 4:00-5:00pm (3/16-5/18) No Class on 3/30  
**Cost:** \$125 payable via Alma  
**Instructor:** Ms. Pillay  
**Registration:** Click [here](#)

## Bricks 4 Kidz

BRICK A PALOOZA Bricks 4 Kidz is back with a semester of BRAND NEW and AWESOME LEGO® models for your Master Builder to create! In our Fall After School LEGO® class, your child will learn science, technology, engineering, math and the arts with a different LEGO® model build theme each week. Your Master Builder will have a chance to create motorized LEGO® models. Have fun building models such as a fire truck, spin art, a fast car, and many more, all out of LEGO® bricks! Join us for this AWESOME Fall After School class and try them ALL! Anything is possible in a Bricks 4 Kidz class

**Grades:** Pre-k to 5th  
**Weeks Offered & Time:** Mondays, 4:00-4:45pm (3/16-5/18) No Class on 3/30  
**Cost:** \$150 payable via Alma  
**Instructor:** Bricks 4 Kidz  
**Registration:** Click [here](#)

## Science Explorers - Science Mash- Up

Get ready for a thrilling mix of science, creativity, and mind-blowing discoveries! Each week, we’ll dive into a new world of fun—stretch and squish buttery soft slime, explore the forces of physics (can we defy gravity?), discover the weird world of mysterious microbes, and design a mechanical oscilloscope to project mesmerizing light patterns. Whether you love to create, experiment, or just be amazed, there’s something exciting waiting for you every week!

**Grades:** K-5th  
**Weeks Offered & Time:** Tuesdays, 4:00-5:00pm (4/7; 4/14; 4/21; 4/28)  
**Cost:** \$149 payable via website  
**Instructor:** Ms. Pillay  
**Registration:** Click [here](#)

## Abakadoodle

Abakadoodle is a creative art program that encourages students to explore their imagination while learning about artists, techniques, and styles from around the world. Via hands-on projects and guided instruction, participants build confidence in their artistic abilities, develop fine motor skills, and discover the joy of self-expression. This program nurtures creativity and helps students see the world via an artistic lens.

**Grades:** Pre-K-1st  
**Weeks Offered & Time:** Wednesdays, 4:00pm-5:00pm, (3/18- 5/20) No class 4/1  
**Cost:** \$180 payable via Alma  
**Instructor:** Abakadoodle  
**Registration:** [www.abakadoodle.com](http://www.abakadoodle.com)

## Ozobots Club

Ozobot Ari is an interactive robotics and coding club that introduces students in Kindergarten through 4th grade to the exciting world of technology in a fun and approachable way. Using Ozobot Ari's touchscreen robot and hands-on coding tools, students learn foundational coding concepts through color codes, block-based programming, and engaging challenges. Participants build problem-solving skills, logical thinking, creativity, and collaboration as they design, test, and refine their own programs. This program empowers young learners to become confident creators of technology while developing essential STEM skills in an engaging, playful environment.

**Grades: K to 4th**

**Weeks Offered & Time: Wednesdays, 4:00-4:30pm (3/11-4/29)**

**No Club 4/1 (7 Sessions)**

**Cost: \$125 payable via Alma**

**Instructor: Mrs. DeFeo**

**Registration: Click [here](#)**

## Happy Aprons Club

## Soccer Shots

Soccer Shots is an engaging after-school club for students in Pre-K via 2nd grade that introduces the fundamentals of soccer in a fun, age-appropriate way. Via creative games, skill-building activities, and positive coaching, students learn teamwork, confidence, and sportsmanship while staying active. This program is designed to nurture a love for the game and help young players build a strong foundation both on and off the field.

**Grades:** Pre-K-1st

**Weeks Offered & Time:** Mondays 4:00-4:45pm (3/16-5/18) No Class 3/30

**Cost:** \$205 payable via Alma; \$15 enrollment fee once per year

**Use:** CBA20 for enrollment fee

**Instructor:** Soccer Shots

**Registration:** Click [here](#)

## Little Stix

Little Stix is a high-energy lacrosse program designed for students in Pre-K via 2nd grade. Using age-appropriate equipment and playful instruction, this club introduces the basics of lacrosse in a safe and fun environment. Children build coordination, agility, and teamwork skills while developing confidence and a love for the sport. Little Stix provides the perfect opportunity for young athletes to explore lacrosse and grow both on and off the field.

**Grades:** Pre-K-2nd

**Weeks Offered & Time:** Tuesday, 3:30-4:15pm (3/17, 3/24, 4/7, 4/21, 4/28, 5/5) - 6 week session

**Cost:** \$155 payable via link

**Instructor:** Little Stix

**Registration:** Click [here](#)

## Momentum Martial Arts

A psychological study found that children in martial arts have an increased sense of responsibility and a decrease in the willingness to take foolish risks. They also have a high sense of self-esteem. This is why millions of parents are using martial arts to supplement their child's formal education. Parents enroll their children in Momentum's programs for different reasons, but with one common goal: to help their children grow and mature to the best of their abilities.

**Grades:** Pre-K & up

**Weeks Offered & Time:** Thursdays, 4:00-4:30pm (3/19-5/14) No class 4/2

**Cost:** \$125 payable via Alma

**Instructor:** Mr. Sweeney

**Registration:** Click [here](#)

## The Show

The Show is an after-school sports program designed to encourage cooperation between teammates and to promote friendly competition. Students will experience different games and learn a wide-variety of skills.

**Grades:** Pre-K - 1st; 2nd-5th

**Weeks Offered & Time:** Thursdays 3:30-4:00pm; 4:00-4:45pm (3/19-5/14) No Class 4/2

**Cost:** \$110 payable via Alma

**Instructor:** Mr. McCall
