July 4 – CLOSED for Independence Day

July 31 – End of Month folders go home

★ Summer is in full swing, and we are soaking in the fun! From spending time outdoors and having fun with water to playing games with friends and participating in new learning experiences, we're creating a summer to remember! We can't wait to see what the rest of the season holds.

As July begins, our classrooms will be working on festive activities in honor of Independence Day. We invite our students to wear red, white, and blue on Thursday, July 3rd to celebrate the holiday.

★ July is a special month as we get ready to participate in our summer giving initiative. Every summer, we participate in our Kids Helping Communities initiative to give back to communities in need. This year, we will be partnering with Leukemia & Lymphoma Society (LLS), an organization dedicated to fighting blood cancers and supporting families across the country. Through this meaningful collaboration, we'll help our students learn about compassion, leadership, and the power of making a difference in their communities.
