As the cooler air and vibrant colors of October arrive, we're reminded of how much this season inspires curiosity and creativity in our students. From exploring nature's changes to incorporating pumpkins, leaves, and autumn themes into activities, this month is full of hands-on learning and discovery. We're also excited for special events like Bike & Trike, Visit from the dentist, Pumpkin decorating contest and fall celebrations where our students can have fun and make new memories. As always, thank you for trusting us with your child's growth and learning.

A few reminders - The days will soon be getting crisp! Please supply an extra set of weather-appropriate clothes for your child and a jacket for chilly days.

Do you have a different email address or phone number? Need to add or remove an emergency contact? You can do this at any time in Alma. You can also make payments and access statements through the Alma parent portal. If you need help logging in or accessing the system, please let us know.
