October Newsletter

A Note from our Principal

As the cooler air and vibrant colors of October arrive, we're reminded of how much this season inspires curiosity and creativity for our students. From exploring nature's changes to incorporating pumpkins, leaves, and autumn themes into activities, this month is full of hands-on learning and discovery. We're also excited for special events like trick or treating, fire truck visits and our first ever participation in the Collegeville Halloween Parade. We are looking forward to fun and creating new memories. As always, thank you for trusting us with your child's growth and learning. Sincerely,

Karen Stewart
