HAPPY HOLIDAYS

As we move into this special time of year, we want to take a moment to celebrate you—our wonderful families—and all that each of you brings to our community. Together, we create a place filled with warmth, learning, and joy, and we are so thankful to share in your children's growth and discovery each day.

Thank you for your continued support as we grow together. It's a privilege to be a part of your families' lives and to share in the laughter, learning, and love that make this community so special.

We are excited for the holiday season ahead and all the magic it brings! Our teachers have planned engaging learning activities, creative crafts, and plenty of outdoor exploration as we enjoy the changes in the season. Once again, thank you for your partnership and trust. We hope you take time to enjoy family, friends, and all the wonderful moments this holiday season has to offer.

Classroom Highlights

During the holiday season, our teachers will be celebrating different holidays around the world with the children through fun and meaningful activities:

- reading new holiday books
- creating special arts and crafts
- enjoying music and movement
- exploring new traditions from cultures across the globe.

These experiences help build cultural understanding, encourage curiosity, and give children a chance to appreciate the many ways families celebrate during this special time of year.

Thank you Chesterbrook
Academy Teachers for all that
you do!

Let Us Know

In the weeks leading up to our Holiday Break, we will be posting attendance sheets outside of each classroom. Please be sure to utilize this sheet by marking which days you plan to send your child to school so that we can plan your attendance accordingly! As always with the holidays, we have teachers hoping to schedule some much-deserved time off, and knowing your child's planned attendance will help us in our staffing plans for the week. Thank you!
