Autumn has been filling our days with exploration, play, and meaningful learning. This month, we are focusing on gratitude and the special connections we share with our families. Our students will participate in activities that celebrate kindness, giving back, and appreciating the people and community around them. We are so thankful for each of our families and for the trust you place in us every day. We look forward to another month of discovery, joy, and togetherness!

Our annual Holiday Giving initiative is a way for students to spread cheer this holiday season while developing an appreciation for what they have, showing gratitude towards others, and seeing the positive impact of their actions. This year, we are collecting items to support Loudoun Homeless Services for local families in need. More details to come via Links 2 Home. Thank you in advance for your partnership and generosity.

November is Native American Heritage Month, a time to celebrate the rich traditions and wisdom of the first peoples of our land. In our classrooms, children will explore the importance of gratitude, storytelling, and nature through simple, meaningful activities.

Thanksgiving/ Fall Celebrations : Our students will be celebrating Thanksgiving with fun classroom activities throughout the month. We invite families to join us for pie and ice cream on Friday, November 21st at 3pm.

Family Referral Bonus: Do you know a colleague who has recently had a baby, a friend in need of care who just relocated to the area, or a family member who is seeking a new preschool for their child? When you refer a friend and they enroll, you're eligible for a free week of tuition. Ask us for details!
