

JANUARY

newsletter

IMPORTANT INFO:

Reminders & News:

- **Winter Attire:** January often brings our coldest weather. Please ensure your child comes to school prepared for outdoor recess with warm coats, hats, gloves/mittens, and weather appropriate shoes.
- **Food Menu:** As some of you noticed, our menu has changed slightly the last month or two. Our corporate team has decided to choose the food selections on the menu for our main courses. We notice that it is very protein heavy with meat. We want to assure our vegetarian students are accounted for, so we will have vegetarian options **daily** for those students. You do not need to pack substitutions for your child.
- **Routine Reset:** After the holidays, getting back into a consistent school routine can take a little time. Encouraging consistent routines at home will be a great help with the transition back to school!
- **Enrollment:** We are currently enrolling in our Beginner 2 and our Intermediate programs. If you have any friends, send them our way! You earn a free week of tuition from their referral.

Thank you for your continued partnership as we start off the new year! Please don't hesitate to reach out via email if you have any questions or concerns. Here's to 2026!
