February brought so many bright moments to our school! Our students celebrated friendship, kindness, and the unique qualities that make each of us special. Valentine's Day added extra fun, with festive activities and sweet surprises shared among friends.

As we head toward spring, our teachers are planning hands-on experiences to help our students explore the signs of the new season. We're excited for the weeks ahead, filled with new beginnings and growth.

We love having your family grow with ours and look forward to continuing our partnership in your child's educational journey. As a thank-you for your trust and commitment, we're excited to offer a priority re-enrollment discount exclusively for currently-enrolled families. Keep an eye out for details via Links 2 Home!

National Reading Month is a March-long initiative aimed at fostering a love for reading across all ages. It emphasizes the importance of reading for education, critical thinking, and empathy. We are kicking off next week with guest readers and a reading spirit week. Be on the lookout for Links 2 Home communications about the ways we'll be celebrating in our classrooms this year!

Spring Break Camp is right around the corner! While LCPS may be closed, our School-Age Program is open and ready for an exciting week of challenging, fun, and engaging activities designed especially for our students. Save your space today.

We also have registration open for a summer camp! There's nothing quite like watching your child's confidence grow as they try new things, build friendships, and create lasting memories. By enrolling, you're giving them a summer they'll never forget. We truly cherish our time with our older students and would love for your child to join us. Please contact us to learn more – we can't wait to connect with you!

We are hosting three Spring Open House events this March and would love for you to invite your friends and family to come grow with us!
