### Week of the Young Child

Week of the Young Child, April 13–17, is an annual celebration of early learning, young children, and the adults who support them, sponsored by the National Association for the Education of Young Children (NAEYC). Our school will join the fun with hands-on, collaborative activities in music, art, food, and more. By celebrating together, we reaffirm our commitment to giving every child early learning experiences that build a strong foundation for the future. Stay tuned for more details via Links 2 Home!

Throughout the month, our classes will explore the small ways they can make a big impact on our planet's health. On Earth Day, Our school will be releasing ladybugs into our schoolyard!
