Making a Difference One Mind at a Time...

We always like to give credit where credit is due, and for the month of May, that credit goes directly to the heart and soul of our school: our incredible teachers! Many of our teachers put time and effort well beyond the school day with no extra compensation other than the smiles given to them by your children each morning. While they often tell me that those smiles are more than enough, I'm sure we can all agree that they certainly deserve so much more. For this year's Teacher Appreciation Week, our teaching staff will be celebrated each day with special events intended to make them feel loved, valued, respected, and-of course-appreciated! A highlight of our week and an easy way for you as families to contribute to the fun will be with our Teacher Appreciation Luncheon on Tuesday, May 5th where we invite families to donate food and drink items for our teachers to enjoy for lunch, and this is something they talk about all year! A sign-up sheet will be available at the front desk if you are interested in contributing. Thank you always for your ongoing support of our school, and especially for making our teachers feel like a million bucks-not just this month, but every single day of the year!
