🌸 CBA Voorhees May Newsletter 🌸

Welcome to the "Merry Month of May"! It is hard to believe we are entering the final full month of the school year. Our classrooms are buzzing with excitement as we watch the flowers bloom outside and our children "bloom" inside. This month is packed with celebrations, including **Teacher Appreciation Week** and prepping for our end-of-year milestones. *Thank you for making this year so wonderful!*

In May, our little learners seem to blossom right along with the flowers, shedding their winter layers for the freedom of short sleeves and sun hats. This month is a sensory playground for them; their days are filled with the sticky joy of planting seeds, the thrill of chasing bubbles in the warm breeze, and the quiet wonder of watching butterflies and dragonflies dancing in the sky and all around them. There is a palpable sense of "big kid" pride in the air as they master the playground equipment they struggled with in the fall, marking the sweet, sun-drenched transition from a year of growth toward the excitement of summer and upcoming summer camp festivities!

As the weather continues to fluctuate, please remember to send your child with a **light jacket** and a pair of **outdoor-friendly shoes (no open-toed shoes)** so we can make the most of our daily fresh air. Please remember to also apply sunscreen at home and update your child's cubby to warmer weather extra changes of clothing.

Thank you for letting us share in your child's growth this spring!

As always, be on the lookout for updates and further information regarding our upcoming events via the Links2Home/Tadpoles app. Please do not hesitate to reach out with any questions. Thank you for being such a valued part of our CBA school community!
