Summer Fun & Easy Learning

We made it! The end of the school year has arrived, and there is so much to celebrate in all of our programs! We've seen our Infants and Toddlers go from crawling to running and from using baby sign language to having vocabularies of close to 100 words. The Beginners have learned to count up to 20 and to recognize all of their colors and shapes. Our intelligent Intermediates have conducted all kinds of experiments to learn about the world around them, while our Pre-K students are learning about the world by starting to read on their own! The greatest part of all of this success is that it is only the beginning for each and every one of them! As the saying goes: When one door closed, another one opens! With our traditional school year coming to an end the start of our Summer Camp 2026 season starts. We couldn't be more excited! As a reminder, we encourage you to keep a copy of the camp activity schedule for your child's class on hand to reference through the summer so you can stay up to date with what is happening each day. We will also be sending out several reminders through Links2Home as the season progresses to help you prepare for each of our many special events. Thank you always for your ongoing support of our school! Stay cool out there!
