Springing into Summer fun!

Welcome to June! The end of the school year has arrived and there is so much to celebrate throughout all our programs. The Infants and Toddlers have gone from crawling to running... From using infant sign language to verbalizing lots of words and phrases! Our Beginners have learned to count all the way up to 20 and can recognize their shapes and colors. Our incredible Intermediates have experimented and learned all about the wonderful world around them, while our Pre-K students are amazing little learners who are starting to read all on their own! The best part of all this success is that it is only just the beginning for each and every one of them. As the saying goes: When one door closes, another one opens! With the end of the school year near, we are getting ready to begin Summer Camp 2026! We cannot wait to explore and experience all the fun with your little ones. As a reminder, we encourage you to keep a copy of your child’s summer camp calendar on hand to reference throughout the summer so that you can stay up to date on what is happening each day.

As always, be on the lookout for updates and further information regarding our upcoming events/reminders via the Links2Home/Tadpoles app. Please do not hesitate to reach out with any questions. Thank you for being such a valued part of our CBA school community!
