**May 2025**

**Important Information**

April was full of meaningful moments, from celebrating the magic of early childhood during Week of the Young Child to helping our students discover how they can help care for our planet on Earth Day. We're proud to nurture young changemakers and empower them to make a difference! As we look ahead to May, we're excited to celebrate Teacher Appreciation Week and all the wonderful mother figures in our community.

May 4 - 8 is Teacher Appreciation Week - the perfect time to celebrate our amazing teachers and share our gratitude for the care, inspiration, and encouragement they provide our students each day. They shape the heart of our school community, and we are so fortunate to have such a dedicated and talented team!

The Book Fair was awesome! I would like to Thank every CBA Family who supported and bought books. We raised \$2000 to buy new books for the classrooms. Thanks again!! Its families like you who make our school!!

**Reminders**

- May 4th-8th Teacher Appreciation Week
- May 8th Mothers Day Cookies & Cuddles
- May 25th Closed for Memorial Day
