

# MAY

## newsletter

## IMPORTANT INFO:

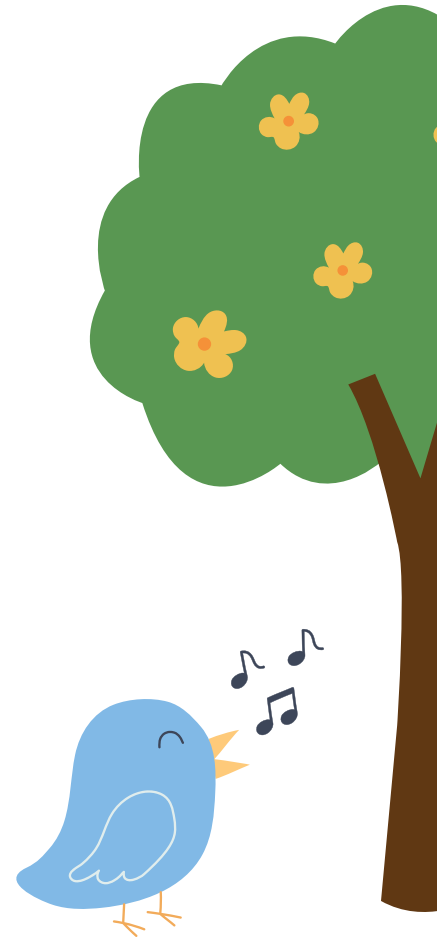

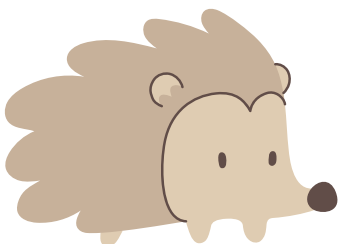

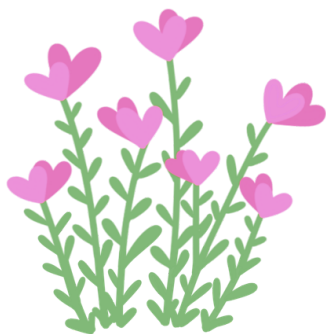

Happy May from CBA! We are so excited for the sunshine and warmer weather. With that weather approaching, we have a few important reminders!

**Cubby Clothing:** Please check your child's cubby for weather appropriate back ups. Your child should have 1-2 full outfits in their cubby at all times. Be sure to label all items!

**Sunscreen:** Teachers will soon be applying sunscreen daily. Please be sure your child has sunscreen labeled with their name along with an over the counter form completed. Please hand these two items directly to your child's teacher. No sprays please!

**Picture Day:** Picture day is coming! We have two separate days. Thursday 5/21 will be Infants, Toddlers, Beginner 1 and Beginner 2. Friday 5/22 will be Intermediates, PK1 and PK2. Have multiple children? No problem! Please dress **BOTH** children on the **OLDEST** child's picture day. They will be photographed together and individually those days. **PK2 students will be having cap and gown pictures completed.**

**Water Bottles:** Please be sure to send your child with a water cup daily that is labeled with their name and is taken home at the end of each day. Students often have their waters on the playground at the end of the day. Please be on the lookout each night to bring them home!
