July 31 - End of Month folders go home

Summer is off to a wonderful start, and our days have been filled with laughter, exploration, and plenty of fun! Our children have enjoyed outdoor adventures, water play, time with friends, and engaging activities that inspire learning and discovery.

As we move into July, our classrooms will be celebrating Independence Day with festive activities. We invite all students to wear red, white, and blue on Thursday, July 2, to help us celebrate the holiday.

Families are also invited to join us for our Chalk the Walk event on Thursday, July 2, from 3:00-6:00 p.m. Bring your family and friends to help decorate our sidewalks and parking spaces with colorful chalk creations.

We look forward to seeing everyone's creativity on display!

Summer Camp is in Full Swing! Our campers of all ages are enjoying exciting adventures, new experiences, and endless summer fun! Our Kindergarten Enrichment program, designed specifically for rising kindergarteners, offers the perfect combination of kindergarten readiness and traditional summer camp excitement.

Know someone who would love to join us? There's still time to enroll and make this a summer to remember! If you're already enrolled and having the BEST time, refer a friend and receive a tuition discount!* Stop by the front desk for details.

Each summer, we participate in our Kids Helping Communities initiative to support those in need. This year, we are proud to partner with Alex's Lemonade Stand to raise awareness and funds for pediatric cancer research. Keep an eye on Links 2 Home for more information about how your family can participate.

We look forward to making many more special memories together throughout the rest of the summer. Thank you for being part of our wonderful school community!
