MARK YOUR CALENDAR

8/27: Last day of summer camp

8/28: School closed for Professional Development Day

All month: see your child's specific summer camp calendar

Dear CBA Families,

Welcome to the end of summer AND the upcoming school year! As the sun begins to set on these warm summer months, we hope your family has enjoyed a wonderful season filled with laughter, outdoor play, and beautiful memories. While it is always bittersweet to say goodbye to the relaxed days of summer, our entire team is incredibly thrilled to welcome both our returning families and our new friends into our school community for a brand-new year of discovery, growth, and playful learning.

Preschool is a magical time of rapid development, and we have spent the last few weeks beginning to prepare for an environment that will inspire your child's curiosity, build confidence, and foster lifelong friendships. Below, you will find important details and upcoming dates to help your family transition smoothly into the new school year.

Important Upcoming Dates:

Last day of summer camp: 8/27

School closed for Professional Development: 8/28

First day of school: 8/31

We view early childhood education as a true partnership between school and home and thank you for your partnership over the summer months. **Please keep an eye on your inbox for our official classroom assignments coming in a few weeks.**

Thank you for trusting us with your precious little ones. We cannot wait to see their bright faces, hear their summer story highlights, and embark on this new beautiful educational journey together!

Kim Cantermen - Principal

Hailey Shaw - Assistant Principal
