

CHESTERBROOK ACADEMY AUDUBON

SEPTEMBER 2026

PRINCIPAL'S NOTE

We are racing into a brand-new school year! 🏁 🚗
✨ As we venture into a whole new month and begin another exciting school year together, we are filled with excitement for all that we have planned!

From fun learning experiences and special activities to opportunities for our families to come together, we have so many wonderful things in store. We are especially excited about our family events and Back-to-School Night, and we hope you will make plans to join us!

Your partnership and involvement make our school community so special, and we can't wait to share this new school year with you and your children.

Here's to a fantastic year filled with learning, laughter, friendships, and plenty of exciting adventures! 📚 ❤️

We can't wait to have you join us!

REMINDERS

- Please label everything that you bring into the classroom: First and last name.
- When bringing your child into school please make sure they are ready for the day: comfortable clothes + closed toe shoes, hair secured, and all the necessary things are their for them example nap items, water cup, etc.. If you aren't sure please always ask your child's teacher or admin!

A BABY IS COMING!

Ms Laurel our Toddler Teacher is welcoming baby girl Maya in early October! If you'd like to buy her a gift

TEACHER'S CORNER

This month, students are learning about perseverance and setting goals. We talk about how it's okay to make mistakes, learn from them, and try again. Students practice using positive self-talk and reminding themselves, "I can do it!" when work feels challenging.

These skills are important for even our youngest learners!

Toddlers and preschoolers are constantly learning how to navigate challenges, make choices, and try new things. Whether it's putting on their own shoes, cleaning up their toys, completing a puzzle, or learning a new skill, young children benefit from encouragement to keep trying. Simple phrases like "Try again," "You can do hard things," and "Let's try it together" help children develop a positive mindset from an early age.

Learning to keep going—even when things feel hard—supports children's academic success, confidence, independence, and emotional growth at every age.

SPREAD KINDNESS...

Kindness keeps our classroom running smoothly! Students are encouraged to use kind words, share materials, and help classmates. We recognize acts of kindness during the day to reinforce positive behavior.

Simple actions like cheering on a classmate, offering help, or including others during activities make a big difference. Students are learning that kindness helps build friendships and creates a supportive learning environment.

BACK TO SCHOOL NIGHT SEPTEMBER 17TH @ 5PM

We are so excited for Back-to-School Night! 📚✨ This is a wonderful opportunity to come together as a school community and kick off an amazing new school year!

During Back-to-School Night, you'll have the chance to:

🎯 Connect with your child's teacher and talk about goals, milestones, and ways we can work together to support your child's growth throughout the school year.

🏠 Explore your child's classroom and get a glimpse into their daily learning environment.

👋 Get to know our teachers and build a strong partnership with the educators who will be caring for and teaching your child.

💬 Ask questions and connect with our Admin Team about anything you may want to know as we begin the new school year.

We truly believe that when families and teachers work together, our children thrive! We can't wait to welcome you, answer your questions, and partner with you for a fantastic year ahead.

FUN DAYS IN SEPTEMBER

💖🌟 Friday, September 11th @ 4:30 PM: Welcome Grandparents or a Special Someone

😴🧸 Tuesday, September 24th: Pajama Day

🦅💚 Monday, September 28th: Eagles Day

ANCILLARY PROGRAMS

First Steps Sports: Each Wednesday Coach Zay comes in! He helps the kids learn new sports, and they also do big body movements. Ask for more info.

Tippi Toes: We will be welcoming Ms. Miranda to our school. She will be introducing dance to our little kiddos. Ask for more info.
