Turning the page to the next chapter!

It's the most wonderful time of the year! No, it's not the holidays just yet-it's back to school time! We are so very excited about all that's to come in the 2026-2027 school year, and we welcome you all on the journey with us. For families who are new to our preschool community, our monthly newsletter is an important resource that is available in our Links2Home app, on the school website, and delivered via email ahead of each new month. We encourage you to review and save a copy to ensure you are informed of all of our upcoming events, school closures, and planned menu items. We can't wait to see where this school year will take us, and to watch how much our students will learn and grow from now until next summer. Together, our team hopes to make this the best school year at Chesterbrook Academy of Washington Township yet!
