September News

Welcome to a New School Year!

We are so excited to begin another wonderful year of learning, growing, and exploring together! Whether this is your child's first year with us or they are returning, we are thrilled to have them in our school family. During the first few weeks, our primary focus will be building friendships, establishing classroom routines, and helping your child feel comfortable and secure. We will practice circle time, sharing, and daily transitions, while working on fun projects that celebrate who they are and help us learn about one another. We believe every child is unique and capable, and we look forward to creating a warm, engaging environment where your child feels safe, valued, and excited to learn. Thank you for partnering with us—we know it will be an amazing school year!

Chicka Chicka Boom Boom

We celebrated the First Day of School with Chicka Chicka Boom Boom!

The Letters Decorate the Hallway

The Lobby and the Tree

Special ABC Cookies

All Grandparents are invited to our Grandparents Day Delight. They will enjoy a special snack made with the children from 9:30 -10:00, work on a special craft together from 10:00 -10:30 and then they will sing and read books together from 10:30 - 11:00.

End of Summer Celebration

Angry Owls Inflatable Game

Ax Throwing

Wack - A - Mole

Ring Toss

Pizza Toss

Giant Tetris

We had another great End-of-the-Summer Celebration! The weather was much better than last year, and we added several new games for families to enjoy. Families played carnival games, won prizes, and enjoyed hot dogs while spending time together. It was a wonderful event filled with fun, laughter, and community spirit.

Scholastic Books

Orders Due September 21

You can help support the school by purchasing Scholastic Books. When you order them, we earn free books and we also earn points that allow us to purchase additional books for the classroom. The ordering process is simple! (remember when we had to fill out the forms and take the envelope with the money or check to school?) You can look on the website at the digital flyer or pick up a paper copy at the school in your child's cubby. Click on this [Scholastic link](#) to access the website.

Enrichment Programs

Our daytime enrichment programs offer your child engaging, high-quality educational activities — while giving your family more free time to enjoy evenings and weekends together. This Fall we offer:

Amazing Athletes (Tuesdays): Teaches skills from 10 different sports in a fun, non-competitive, and educational environment.

Mighty Kicks (Wednesdays): Develops teamwork, agility, and foundational soccer skills.

We are offering free demo classes on Tuesday, September 8 (Amazing Athletes) and Wednesday, September 9.

We are looking to add other programs, so keep watch for more programs.
