Fall Festival
@ 3:00pm

Fall is one of our favorite seasons here at CBA because we love watching our students discovering new things right before their eyes. They come into school so excited to talk about the breezy and cool weather, the leaves changing colors on the trees, and how it's getting darker in the afternoon at pick-up (which most of us aren't a fan of). From an educator's perspective, fall is also the season that symbolizes a new beginning, as the school year has officially begun. The rush of trying to transition into new routines is finally over and we can all settle down and enjoy all the fun that comes with being in school!

As we begin October, we are looking forward to kickstarting all our spectacular fall events! As we look ahead, mark your calendars for our *Fall Festival* which will be held on Friday, October 30th at 3:00pm. Children can dress up in costume or fall attire if they choose. Bring your friends and family and let's kickstart the fall season, together!

As always, THANK YOU for your continued support and for being a valued part of our Chesterbrook Academy and Cherry Hill school community!
