November Newsletter

A Note from Our Principal

November is a wonderful time to pause and reflect on the people who make our school community special. This month, we are focusing on gratitude and the special connections we share with our families. Our students will participate in activities that celebrate kindness, giving back, and appreciating the people and community around them.

We are so thankful for each of our families and for the trust you place in us. We look forward to another month of learning and meaningful connections!

Sincerely,

Naima Kamran

Holiday Giving

Our annual Holiday Giving initiative is a way for students to spread cheer this holiday season while developing an appreciation for what they have, showing gratitude to others, and seeing the positive impact of their actions. This year, we are collecting food for the food pantry. More details will be shared via Links 2 Home. Thank you in advance for your partnership and generosity.
