November is a wonderful time to pause and reflect on the people who make our school community special. This month, we are focusing on gratitude and the special connections we share with our families. Our students will participate in activities that celebrate kindness, giving back, and appreciating the people and community around them.
We are so thankful for each of our families and for the trust you place in us. We look forward to another month of learning and meaningful connections!

Our annual Holiday Giving initiative is a meaningful way for students to spread cheer this holiday season while developing an appreciation for what they have, showing gratitude to others, and seeing the positive impact of their actions. This year, we will be supporting children in need within our local community. We will collect snacks to fill the pantry of Loudoun Homeless Services, as well as new toys for Mobile Hope. More details will be shared via Links 2 Home soon. Thank you in advance for your partnership and generosity!

November is Native American Heritage Month, a time to recognize the histories, cultures, and contributions of Indigenous peoples. In our classrooms, children will learn through books and age-appropriate activities that introduce Native American traditions and perspectives.

Our students will be celebrating Thanksgiving with fun classroom activities throughout the month. On November 20th. we would love for you to join us as we host a special "Chesterbrook Friends and Family" dessert celebration.

A sincere thank you to everyone who completed our Family Survey! Your feedback is valuable to us as it helps us understand what's working well and where we can continue to grow to better support your family. If you would still like to participate, the survey is open until November 20.

Do you know a colleague who recently had a baby, a friend in need of care who just relocated to the area, or a family member looking for a new preschool for their child? When you refer a friend and they enroll, you're eligible for a free week of tuition.* Ask us for details!
