# A PLACE TO GROW:

*Where learning continues beyond the school day*

Our Before & After School Programs offer two flexible options to support your family's schedule while providing enriching experiences for your child. Both programs feature nutritious meals, dedicated staff, and safe, well-equipped facilities.

## EXTENDED DAY

Our Extended Day program allows busy working families the flexibility to drop-off before school starts and pick-up after dismissal.

- **Hours**: 7:00am – 8:00am
  4:00pm-6:00pm
- Nutritious snacks
- Dedicated, trained staff
- Safe, well-equipped facilities

## CLUBS & ENRICHMENT

Our Clubs and Enrichment Programs allow your child to expand their interests and/or explore new passions. Combine with Extended Day or attend independently.

- **Hours:** Vary by Club
- Specialty-trained staff
- Special programs available

RELATIONSHIPS • OPPORTUNITIES
ADVENTURE • RESPONSIBILITY

**DISCOVER**

Students explore science, technology, engineering, art, and math through projects, experiments, and design challenges. Curiosity, questioning, and innovation are encouraged every day.

**PLAY**

Robust outdoor play and structured games build teamwork, sportsmanship, and confidence. Students stay active, engaged, and energized through movement and hands-on experiences.

**CREATE**

Students express themselves by participating in hands-on visual arts, including photography, videography, drawing, and painting. Students develop planning skills by working on long-term projects with their peers and can participate in group performances or discussions.

**WONDER**

Social and emotional growth is nurtured through student and teacher led activities that promote a feeling of community and belonging. Students learn through open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.

**LEARN**

Some students appreciate the chance for independent activities or study after a long day at school. We provide a quiet place to read, journal, or seek a quet space.
